COMFORTSTAR
Model CH20-24CD-32(I)

A horizontal scale bar representing efficiency. The left end is labeled '14.3' and 'Least Efficient'. The right end is labeled '42.0' and 'Most Efficient'. There are three vertical tick marks along the bar, including the endpoints. The first tick mark is at 14.3, the second is at approximately 28.15, and the third is at 42.0.

 This system's efficiency ratings depend on the coil your contractor installs with this unit. The heating efficiency rating varies slightly in different geographic regions. Ask your contractor for details.

A horizontal scale bar representing efficiency. The left end is labeled '7.5' and 'Least Efficient'. The right end is labeled '14.6' and 'Most Efficient'. There are three tick marks along the bar: one at the left end, one at approximately one-third of the way, one at approximately two-thirds of the way, and one at the right end.
